1.	<u>Assessment of AGM</u> <ul style="list-style-type: none"> • Lack of preparation. Appeared to be shambolic. Time-keeping was poor and general control of the meeting was not clear. • The secretary should oversee preparations for next year's AGM. • The duration of future AGMs should not be longer than 90 minutes. • Key documentation should be made available at the meeting as well as providing it online in advance • We should continue with the membership drive in month preceding the AGM. • Tauriq indicated that he would no longer serve on the Constitutional Committee. The secretary is to liaise with the convenor of the committee to request an updated report to serve at January's Mancomm and to remind the committee that we would like to bring this matter to a head as soon as possible.
