

## NOMINATION FOR AN OCA MANAGEMENT COMMITTEE POSITION

Name of nominee: JANET CRONJE	
Nominees confirmation of willingness to stand (signature): 	
Brief bio: <p>I have lived in Observatory since first becoming a homeowner in this neighbourhood in 1998. I have lived "above the line" previously and now live "below the line" in Lower Obs.</p> <p>I work as a project administrator for a specialist energy advisory firm in Rondebosch. I have worked in a range of organisations, most recently for non-profits, but before that, for a Chapter Nine provincial organization.</p> <p>I believe that as South Africans, we should be active citizens and through our active citizenry, promote progressive civic action, especially in as far as this is able to redress the inequalities in our society.</p> <p>I love living in Observatory and want to share my positive experience of this diverse neighbourhood with the wider Observatory community</p>	
Motivation for standing: <p>I am especially interested in the arts and culture sector and hope to be able to use this interest of mine, with the help of other OCA members and the wider Observatory community to drive an active programme for residents, young and old, should I be elected to the MANCOM. Observatory is a wonderfully creative community and this potential I think needs to be elevated and brought into mainstream. Additionally, better coordination with neighbouring suburbs and their arts, heritage and culture activities is desirable for all our communities.</p> <p>I have sat in many of the MANCOM meetings and served on the MANCOM briefly in 2019. I now wish to serve a full term heading up the SPORTS, ART and CULTURE portfolio.</p> <p>In the last year, I have remained active in OCA activities from outside of the MANCOM structure. I am still busy driving a campaign to extend opening hours for the Observatory Pool, with support from other Observatory residents.</p>
