Brief Bio:

I have lived and worked in Observatory for many years. Firstly, while in training at Groote Schuur Hospital and then in practice since 1990.

I have been an active member of the civic for the last six years, the Large Development Group since it's inception and OCA treasurer for the last two years.

Motivation for standing:

I am passionate about Observatory and about having an active, diverse, progressive and effective Civic.

I see sound financial management, good record keeping and transparent and comprehensive financial statements as some of the most important aspects of good governance within the Observatory Civic Association. Over the last two years with the excellent help from our bookkeeper Trish Sanderson-Smith and lots of great input from De Vos Rabie we have achieved this.

In the interest of continuity for the Civic I would like to continue as treasurer.
