To the Sub-Council Manager

SUBMISSION BY THE OBS PASTA KITCHEN REGARDING THE APPLICATION FOR EXTENSION OF LIQUOR TRADING HOURS FROM 02H00 TO 04H00 ON BEHALF OF RAYHAS INVESTMENTS (PTY) LTD TRADING AS STONES OBSERVATORY, 84 LOWER MAIN ROAD, OBSERVATORY.

We at The Obs Pasta Kitchen do not support this application, we have been working with the homeless community in Observatory in this time of great challenges with COVID-19, providing meals, masks and immunity packs.

Stones is situated in a dense population of homeless persons living in makeshift homes and simply sleeping on the pavements. An extended license results in alcohol abuse where the focus now should strictly be on health and safety.

Sincerely,

Kimon Bisogno
