Re: Stones Club hours extension application
Date: 14 02 21

We are the owners of No. 17 and No 2 Churchill Mansions, a block of flats on Trill Road, one block east of Lower Main Road. We lodge our objections to any extensions of the trading hours of Stones, and would do the same for any of the other clubs and bars in the Lower Main area. The bar culture has not done any good to Obs and we object to anything that would extend the time and scope of bar trade.
