

OBSERVATORY
Civic Association

NOMINATION FOR AN OCA MANAGEMENT COMMITTEE POSITION

Name of Nominee: Joy Robinson	
Position to which nominated: Treasurer	
Confirmation of willingness to stand (signature):  25/11/2021	
Brief Bio: I have lived and worked in Observatory for many years. Firstly, while in specialist training at UCT/Groote Schuur Hospital and in practice since then.	
Motivation for standing: I have been an active member of the Civic for the last 8 years, a member of the Large Development Group(,currently on sabbatical), and treasurer for the last 4 years. I am passionate about Observatory and about having an active, diverse, progressive and effective Civic. We are a unique and interesting community. It is vital that we preserve and grow this precious village. I see sound financial management, good record keeping, with transparent, comprehensive financial statements as some of the most important aspects of good governance within the OCA. This is especially true currently, with our active fundraising for the Liesbeek Action campaign, which involves the collection of significant monies. In the interest of continuity for the OCA during this critical time I would like to continue as treasurer.	
Name of Nominator 1: Kimon Bisogno	Name of Nominator 2: Leslie London
