**Brief bio:** I have lived and worked in Observatory for many years. Firstly while in specialist training and UCT/Groote Schuur Hospital and in practice since then.

**Motivation for standing:** I have been an active member of the Civic for the past 10 years, a member of the Large Development Group, currently on pause and treasure for the last 5 years. I am passionate about Observatory and about having an active, diverse, responsive Civic, especially in these challenging times. I see sound and transparent financial management extremely important. This is especially true currently with all the challenges of the Liesbeek Action Campaign and in the interest of continuity during this financially difficult time, I am standing for treasurer again.
