

MEMBERS OF THE CAPE TOWN SCIENCE CENTRE

Enjoy unlimited visits to the CTSC for 12 months!

The Observatory Improvement District (OBSID) is partnering with the Cape Town Science Centre (CTSC) to give you and your family the opportunity to redeem a membership to the Cape Town Science Centre to enjoy unlimited visits to the CTSC for one year, plus discounted rates on clubs and special programmes. **All you need to do is bring your proof of address to the CTSC, complete this form and our team will issue you with membership cards. Sign up today!**

OBSID's mission is to develop and sustain a safer, cleaner and smarter public space throughout Observatory; contribute to a commercially attractive, artistically vibrant, ecologically sustainable and family-friendly environment; nurture the unique ambience, charm and diversity of Observatory village as a meeting place of artists, intellectuals, professionals, workers, residents and visitors; foster cooperation between residents, ethical businesses, other stakeholders and the City.

The Cape Town Science Centre is a registered non-profit and public benefit Organisation that creates an environment where individuals from diverse backgrounds can be inspired. It is a world of discovery under one roof. In addition to the hands-on displays, the CTSC offers science shows, curriculum-based hands-on workshops, holiday programmes, science camps, hands-on experiments, excursions, robotics workshops, maths and science exam preparation lessons and mini-exhibitions on topical science events.
